ABN Infra Arch began as a general works contractor in 2004 . Over the years the group has undertaken many challenging projects and accumulated skills, know-how and experiences in design and builds solutions, building trades and related engineering works.

Today, ABN Infra Arch on the role of main contractor for medium to large size projects and performs design built services to coordinates specialist trades for commercial / industrial / retail projects. We also provide design inputs and engineering solutions as value-add services to our clients.

Our objective is to provide our clients with an “I am Assured” experience when we are chosen to execute their projects. Our emphasis on clear communication and follow-through procedures ensures that client’s objectives are top priority in the planning and execution of all our process.

Execution philosophy

- Create details schedule and resources plan to meet client's project objective,
- Co-ordination clearly with all project stakeholders / agencies,
- Track project progress and fine-tune deviations,
- Supervise closely on quality of work done,
- Complete and handover the project on time.

We take pride in our delivery, thus our clients can always be assured that only the most experiences and qualified people are serving them, all the time.

Our Vision

To be a respectable civil-interior contractor delivering beyond expectation, always.

Our Mission

To procure projects at competitive pricing, provide safe working conditions and deliver quality work within reasonable time frame.

Our Management team

The business is driven by our 2 working directors; collectively they accumulated more than 20 years of work experience in the building industry. They are involved in the business development, procurement, project management and administration of the company.

The management team proactively gathers feedback, identifies changes in business environment, reviews work process and communicates key learning points and company policy to all staff at regular meetings.

Our People

Our people are crucial in the delivery of our services and solution to our clients. In order to ensure that everyone is equipped with right skill, knowledge and attitude, a comprehensive training programme is put in place to constantly upgrade our people in technical and management skills.

We believe firmly in providing the right training, accredited certification and practical knowledge for our people, in order for them to execute their duties and responsibilities confidently. Our aim is to stay relevant to the ever-changing market place and client's requirement.
